

# Seddon Shield Area Photography Convention

2024

## **Introduction**

On behalf of the Buller Camera Club, I would like to warmly welcome you all to the 50th Anniversary of the Seddon Shield Convention.

When the committee first got together to plan out this year's meeting, we all agreed that it would be great to offer something a little bit special to celebrate this milestone. As you all have had to travel some distance to join us, we thought we'd make it worth your while and stretch the weekend out an extra day to give you all plenty of opportunities to explore the area and hopefully bag some wonderful images.

We have endeavoured to provide a varied and interesting programme that we think you will enjoy.

I would like to take this opportunity to thank all of our wonderful judges for their efforts this year as well as my committee for their hard work. Also to Tony Ferguson, Jules Anderson, Mickey Ryan and Sylvia James for their involvement with the field trips and workshops.

Huge thanks to Elizabeth Passuello for her tireless work behind the scenes with the website and guiding me through this process. I couldn't have done this without you Elizabeth, thank you so much.

Finally, congratulations to all trophy winners this year. You all gave the judges plenty to work their way through, it was a great process to be a part of.

Righto, on with the show! Wishing you all a wonderful weekend of fun and fellowship.
